### CONCURRENT EVENT

## Renewables 2012 Indonesia

International Conference & Trade Fair on Energy Sustainability,  
Green Resources and Environmental Technology  
[www.renewables-indonesia.com](http://www.renewables-indonesia.com)

as @ July 2011

### EXHIBITS PROFILE

#### Building & Construction

Construction Equipment, Tools and Special Systems • Construction Machines • Construction Vehicles • Formwork and Scaffoldings • Lifting Appliances and Conveyors • On-site Concrete and Mortar Handling • Site Installations

#### Building Materials, Hardware & Tools

Building Material Handling and Packaging (Plant) • Building Materials, Products and Components • Communication and Navigation • Hardware, Tools and Machinery • Test Measurement and Process Control Engineering

#### Job Safety

Building Services • Consultancy and Professional Services • Information Technology and Telecommunication • Integrated Facility Management • Measuring and Control Systems • Outdoor Installation • Safety, Security & Fire Department and Products

#### Industry & Trade Information

Government Promotion Agencies • Research and Analysts Consultants • Trade and Industry Publications

#### Mining

Raw Materials Extraction and Mining Machinery • Raw Materials Handling • Mineral Processing (incl. coking plant equipment)

#### Plants, Systems and Machines for Manufacturing

Asphalt • Cement, Lime and Gypsum Compounds • Concrete, Concrete Products and Prefabricated Components • Gypsum and Gypsum Plasterboard • Lime Sandstone and Building Products using Power Plant Residue (fly ash, slag, etc) • Pre-Mixed Dry Mortar, Plaster, Screed and Supply Store Products

### VISITORS PROFILE

Architectural Practices • Associations, Research Institutes and Universities • Civil & Mining Engineers • Construction Companies • Construction, Consulting & Design • Construction-Machinery and Building-Material Trades • Consultants, R & D Professionals • Design Offices and Other Service Companies • Developers, Owners and Financiers • General Building Contractors / Government Agencies / Building Authorities • Geologists and Metallurgists • Industry Analysts and Economists • Investors, Industrialist and Traders • IT Companies and Solutions Providers • Mining Health and Safety Organizations • Procurement Agencies • Smelting & Refining • Mining / Mining Processing Companies

### MMI CONSTRUCTION & BUILDING RELATED FAIRS

  
Partner Country  
Indonesia 2013
